

December 2019

Dear Friends and Supporters,

Thank you for being a supporter of our organization through your donations, contributions of time or by participating in one of our programs. **We are grateful for being in the community for over 36 years. We hope you will consider us in your holiday and year end giving by making a donation to our organization.** This year our annual appeal will go directly to our two programs: the Children's Early Intervention Program and Adult Community Services. Both programs educate, support individuals/families and within the Adult Program strive to help people with disabilities live as independently as possible. If you would like to specify your donation (Children's or Adult) please feel free to do so.

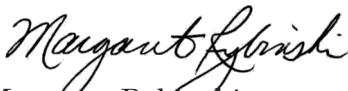

Our Children's Early Intervention Program continues its long term success by helping hundreds of children and their families. As many of you know, being a parent is a hard job! When your child is experiencing developmental delays or has a disability, parenting becomes even more demanding. Our home based services sustain families in their day to day routines and normal life. Did you know that because we are a charitable organization, we provide extra services to children in our Early Intervention Program? We do!

Did you know that we lend out, free of charge, various assistive devices such as adaptive toys or specialized seating? Of course we do! We also ensure that parents understand their medical and developmental needs by guiding them through an often complicated medical maze of appointments and services.

Similarly, the Adult Community Social Service Program has had a busy year by helping many of our participants have their services provided by a Managed Care Organization. Did you know that we also provide a host of supportive services including advocacy and person centered counseling? We do! Are you familiar with our support groups and our Storytellers art experience? We hope you are. And, did you know that through our assistive technology library we are piloting a smart home assistance service? Our Social Workers are experts and we plan to continue to be here for you and the community at large. Will you help us to continue to be here, by making a donation? We sincerely trust you will!

I hope you will help us this year. Your tax deductible donation can be sent to us by tearing off the bottom portion and using the enclosed envelope. If you wish to donate on-line via PayPal, please visit our website at www.ccdisability.org and click the donate button. Our website has more information on all of our accomplishments including our annual report. **Thank you for your support, and if you know someone who needs our services, please call.** Happy Hanukah, Merry Christmas, Happy Holidays and to all a very Happy New Year.

Sincerely,

Margaret Rybanski
Executive Director
